#### **ARTICLE 12:00 GRIEVANCE PROCEDURE**

12:01 It is the mutual desire of the parties to this Agreement to attempt to settle complaints of employees as quickly as possible. A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the collective agreement.

The employee is strongly encouraged to first discuss the issue with their immediate supervisor. If the complaint is not settled to the satisfaction of the employee within five (5) working days following their notification to the appropriate Supervisor, they may proceed to Step One of the Grievance Procedure.

Grievances shall be dealt with in the manner outlined below, providing such grievances are in writing, signed physically or electronically by the aggrieved employee, contain the nature of the grievance, the remedy sought, the specific sections of the Agreement, which are alleged to have been violated and filed within ten (10) working days of the alleged grievance.

The employee shall be accompanied by their Union steward at all steps of the grievance procedure or at any grievance meetings with the employer.

#### Step 1

The employee shall submit the grievance to their supervisor within ten (10) working days of the alleged violation of the agreement. The employee's supervisor will forward a copy of the grievance to their Human Resources Advisor.

The supervisor shall, within five (5) working days, convene a meeting with the grievor, accompanied by their Union Representative to discuss the grievance. Within five (5) working days of receipt of notice by the Union, a meeting shall be held with the Union Grievance Committee, the grievor, the Supervisor, and the City's Grievance Committee.

The City shall give its decision in writing within five (5) working days of the meeting. Failing settlement at this stage, the Union may, but only within a period of fifteen (15) working days from the date of the receipt of the City's reply, invoke the Arbitration provision of this agreement.

Any grievance of a notice of layoff or layoff shall be filed with the Human Resources Department and shall be heard in a meeting at Step 2 of the grievance procedure.

#### Optional Meeting

Following receipt of the decision of the City at Step 2, the Union and the City may mutually agree to convene a consultation meeting of the grievor, the Union President or designate, and Union-assigned Steward with the Manager of Labour Relations and Customer Service or designate and the Department Manager or designate as soon as possible. The purpose of the meeting is to expedite and resolve the grievance. In the event this meeting is convened, the time limits for proceeding will be extended to accommodate this consultation meeting. This meeting is optional, not mandatory, and requires the mutual agreement of the parties.

- 12:02 The above time limits may be extended by mutual agreement between the parties of this Agreement.
- 12:03 A policy grievance arising between the Union and the Employer over the interpretation, application or alleged violation of the collective agreement, shall be commenced at Step 2 within fifteen (15) working days of the alleged violation of the collective agreement.
- 12:04 **Grievance Mediation:**  
Following receipt of the response from the City at Step 2 the parties may, with mutual agreement, request the services of a grievance mediator in attempting to resolve a grievance prior to

arbitration. The costs of any such grievance mediator shall be shared equally by the parties. In the event a grievance is forwarded to mediation, the parties agree to meet within ninety (90) days, subject to the mediator's availability.

## ARTICLE 13:00 DISCIPLINE, SUSPENSION AND DISCHARGE

- 13:01 Employees shall be accompanied by a Union representative at meetings where disciplinary matters are investigated or meetings where discipline, suspension or termination are administered.
- (a) The City shall commence an investigative process with an employee within ten (10) working days upon receipt of an expression of dissatisfaction concerning their work performance. The Union will be provided a copy of the written complaint, or a transcript of the complaint if it is verbal.
- Initial discussions between the Supervisor and the employee to establish the merit of a complaint or performance concern does not constitute a meeting for which union representation is required. These discussions will not take place in written or electronic form. Should the employee request union representation, the City will ensure a union representative is provided.
- (b) At investigation meeting(s) or disciplinary meetings(s) involving verbal or written warnings, the City shall ensure that the employee is accompanied by a Union Steward.
- (c) At investigation meeting(s) or disciplinary meetings(s) involving suspension or discharge, the City shall ensure that the employee is accompanied by up to two members of the Union Executive.

- (e) Notice of the suspension or discharge shall be presented to the employee in person or when necessary sent to the employee's last known address. A copy will also be provided to the Union.
- 13:02 (a) Such grievances may be settled by confirming the employer's action or by reinstating the employee, with or without compensation for the time lost or any other arrangement which is just and equitable in the opinion of the conferring parties or arbitrator, if the matter is submitted to an arbitrator.
- (b) As an alternative to using a sole arbitrator, the parties may mutually agree to submit a grievance to a board of arbitration.
- 13:03 Any permanent employee may be suspended or discharged verbally. Such suspension or discharge shall be followed by a notification, in writing, to the Union and the employee, not later than 4:30 p.m. of the day the next business day.
- 13:04 When an employee has been suspended or dismissed, the employee shall have the right to meet with a member of the Executive of the Union for up to thirty (30) minutes, subject to the provisions of Clause 11:01. In the event that more time is required such requests from the Union will not be unreasonably denied.
- 13:05 Coaching Letter:
- (a) A coaching letter may be used by the City to identify concerns with the employee's performance and identifies the expectations required for improvement. The parties agree that coaching letters are non-disciplinary. The City agrees that coaching letters do not form

part of progressive discipline and will not be used in arbitration. The Union agrees that coaching letters shall not form the basis of a grievance and that union representation is not required in coaching sessions between the employee and the supervisor. Should the coaching letter form a part of the employees Human resources file, a copy of the coaching letter will be provided to the Union.

Employee File:

- (b) No disciplinary document shall be placed on the employee's file that has not first been shown and a copy given to the employee. An employee shall have the right to have access to, make copies and review their personnel file and shall have the right to respond, in writing, to any document, which the employee has not received, and such reply shall become part of the record. The employee, or their Union representative, shall have the right to request and receive copies of all discipline and work performance documents in the employee's personnel file where the employee has been disciplined for any reason. Any employee wishing to view their own personnel file shall make arrangements to do so with the Human Resources Department at least twenty-four (24) hours in advance.

Warnings and disciplinary notices shall be in writing and be part of an employee's file for a maximum of twenty-four (24) months from date of issue.

#### ARTICLE 15:00 ARBITRATION

- 15:01 (a) It is agreed by the parties hereto that any difference of opinion relating to the interpretation, application or administration of the agreement which cannot be settled after exhausting the grievance procedure shall be settled by arbitration, as defined in Section 48 of the Labour Relations Act.  
  
(b) As an alternative to using a sole arbitrator, the parties may mutually agree to submit a grievance to a Board of Arbitration.
- 15:02 The parties to the agreement further agree that an arbitration Board has no power to alter, modify, amend or add to the provisions of this agreement or to make any decision inconsistent with the terms of this agreement

#### ARTICLE 16:00 NO STRIKES OR LOCKOUTS

- 16:01 The City and the Union agree to follow procedures as outlined in this agreement. It is understood and agreed that there will be no strike or lock-out during the lifetime of this agreement, and the definitions of "strike" and "lock-out" are those set out in the Ontario Labour Relations Act.

#### ARTICLE 17:00 SENIORITY

Seniority shall be defined as the length of continuous service in the bargaining unit. Seniority shall operate on a bargaining unit basis, and as set out in Article 17:07.

(b) Continuous service shall mean service that is not broken by an interval of more than five (5) working days without written permission from the Head of the Department. In the case of illness, absence must be supported by a doctor's certificate as outlined in clause 24:00.

- (ii) who have completed more than six (6) months of continuous service as a temporary full-time employee or up to fifty-two (52) weeks of continuous service when replacing an employee on pregnancy, parental or adoption leave, and where no extension to the temporary period has been agreed to by the City and the Union.

#### 17:02 Probation Period

When a new employee is hired, the employee shall be on probation for a period of up to ninety (90) days worked and such time may be extended by mutual consent of the parties in writing. During the probation period the employee shall be subject to the terms of this Agreement, except with respect to discharge. On reporting for work, applications for benefits will be made, but entitlement will not occur until the end of the waiting period in each case.

In the event that the employee is retained beyond the specified probation period, the time the employee has worked will be counted for seniority purposes and the other terms of the agreement, where applicable, will become effective from the day the employee commenced work. During the probationary period, the employee shall be subject to deductions for Income Tax, Employment Insurance, Canada Pension, OMERS and union dues from the date of hire.

#### 17:03 Seniority Applied to Promotions and Transfers:

- (a) Promotions and transfers to jobs within the Scope of the agreement shall be from within the bargaining unit if suitable employees are available. - (c) Where there are no suitable applicants for a job posting from within the bargaining unit but where the City makes the decision to consider applicants who may have some of the qualifications from within the bargaining unit, the City shall interview up to three (3) of the most senior applicants for the position, subject to the terms of this Article.

#### 17:04 Seniority Applied to Lay Offs and Recalls:

In the event of layoff, as defined in Article 17:01, designed to permanently reduce the work force (not seasonal layoffs) the Corporation shall give:

- (e) The concept of the last employee hired shall be the first employee laid off and the last employee laid off shall be the first recalled will be followed. Layoff of employees shall be made on the basis of the seniority list, bargaining unit wide, provided that the employees who are entitled to remain on the basis of seniority are willing and qualified to do the work. All laid off employees will be notified in writing by the Human Resources Department within ten (10) working days of any notice of recall.
- (f) All employees to be laid off temporarily shall receive notice of the impending layoff as soon as is practicable.
- (g) In the event of layoffs, all permanent employees, if qualified, will have the opportunity to bump any non-permanent employee.
- (h) No new employee will be hired until those laid off have been given an opportunity of re-employment, subject to 17:04(e).

17:05 Bumping Procedure:

- (a) An employee being laid off may bump any employee below them in seniority of the same or lower classification provided that the employee bumping is qualified to perform the work which is available without re-training. For an employee bumping into a classification in a higher paid job grade (bumping up), **they may bump up if they have been successful in a recruitment process for that position within 2 years from the layoff notice date.**
- (b) Provided there are no suitable internal applicants, prior to commencing the bumping procedure, an employee being laid off would choose an open position similar to work to which the employee is currently doing, provided the employee is qualified to perform the work and provided the open position is the same, higher **or lower** job pay grade. Should the affected employee elect this option, the parties agree that the placement into a vacancy represents an election to bump.

#### **ARTICLE 35:00 SUSPENSION OF EMPLOYEE'S DRIVER'S LICENCE**

(a) If an employee, who is required by the City to drive their personal vehicle on City business or to operate City vehicles or equipment, has their driver's licence suspended or is otherwise

prohibited from operating a vehicle or motorised equipment, they must immediately advise their supervisor.

- (b) When an employee has their driver's licence suspended and is therefore unable to perform the essential duties of their job, they shall be given a leave of absence without pay and benefits and without accumulation of seniority, subject to (e) below for the same period of time they are without their driver's licence and/or prohibited from driving. The position occupied by the employee may be filled by a temporary assignment of another employee.
- (c) When the employee's licence is restored they shall advise the City and shall be recalled to the job they performed at the time of the suspension of their driver's licence. When the prohibition on operation of motorised equipment has expired the employee will then be given the opportunity to operate such equipment in accordance with (e) below.
- (d) An employee who is required to use an "ignition interlock" to operate a vehicle, is not deemed to have the required licence restored in order to operate a City of Guelph vehicle. Ignition Interlocks will not be installed on City vehicles.
- (e) The City and the Union shall fully explore all of the alternatives for employment placement for the employee in the sequence set out below: The employee shall not be placed on a leave of absence without pay where:
  - i. The employee can secure another form of transportation to and from work and continue to perform the essential duties of his job.
  - ii. It may be possible for the City and the Union to negotiate alternate work, if a driver's licence is not an essential part of the actual performance of the alternate work and there is an available non-driving position. The nature of the work to which the employee is re-assigned will be negotiated between the City and the Union. The wage rate will be adjusted to the wage rate of the assigned job.
  - iii. The employee may displace one or more temporary employees if he is capable of performing the work within a ten (10) day orientation period.
- (f) No employee shall be disciplined, suspended or terminated either directly or indirectly due to the loss of their driver's licence unless such loss of driver's licence or driving privileges occurred with the operation of a City vehicle or during his work hours.
- (g) i. An employee as set out in (a) above who loses their licence by suspension, or is prohibited from driving for a second time as the result of the decision of a court or tribunal will not be able to avail themselves of (e) above unless mutually agreed by the City and the Union. Similarly, an employee who can restore their licence, but chooses not to, will not be permitted to avail themselves of (e) above.
  - ii. Where an employee has their licence suspended prior to the disposition of any alleged offence by a court or tribunal, the City will regard any subsequent suspension of licence or prohibition from driving as a single suspension.

PAY EQUITY PLAN  
THE CORPORATION OF THE CITY OF GUELPH  
AND  
THE GUELPH PUBLIC LIBRARY BOARD  
AND  
THE CANADIAN UNION OF PUBLIC EMPLOYEES  
LOCALS 973 AND 1946

Establishment defined as: all employees of the Corporation of the City of Guelph and the Guelph Public Library Board up to and including the chief Librarian and the CAO and including the bargaining units CUPE Locals 973 and 1946.

PART I

Gender-Neutral Comparison System

1. A joint Pay Equity/Job Evaluation Rating Committee will be established composed of representatives of the Employer and the Union. All Union representatives shall be selected by the Union and all Employer representatives shall be selected by the Employer. For the purposes of the Pay Equity Plan, the Committee shall be composed of four (4) Union representatives, two (2) from each of the two (2) locals and four (4) Employer representatives. Recognizing the importance of ensuring the credibility and gender neutrality of all decisions rendered by the Committee, both the Employer and the Union shall endeavour to elect a number of male and female representatives which decide on a future Maintenance Programme for the Job Evaluation Plan, it is understood that the number of representatives of each Party may be amended.
2.
  - (a) The Committee shall have two contact persons of equal standing; one from the Employer and one from the Union who shall jointly be responsible for determining the agenda and smooth operation of the Committee.
  - (b) The Employer and the Union contact person will liaise with the Human Resources Department for scheduling details i.e., times and locations. All relevant documentation generated in relation to the Job Evaluation portion of the Pay Equity Plan will be prepared by the Human Resources Department and the consulting firm Deloitte Haskins & Sells and issued to the Committee.
  - (c) The Employer agrees to release the CUPE members on the Rating Committee without loss of pay or benefits during the employee's normal working hours at their regular straight time rate of pay for scheduled Committee meetings, and for any training agreed upon. Overtime shall not be paid.
3.
  - (a) The Employer agrees to release the C.U.P.E. members on the Rating Committee without loss of pay or benefits during the employee's normal working hours at their regular straight time rate of pay for scheduled Committee meetings, and for any training agreed upon. Overtime shall not be paid.
  - (b) This project requires that all Committee members commit the necessary time and

be flexible in its scheduling. Once the Committee has been established, a series of mutually agreed upon times and dates shall be scheduled.

4. A quorum for Rating Committee meetings shall be all Committee members.
5. With respect to communications and responsibilities, the following shall apply:
  - (a) The Employer and the Union will conduct joint orientation sessions during normal working hours.
  - (b) The employer will use the attached Position Description Questionnaires to gather the necessary information from employees and these shall be required to be returned by a time mutually agreed upon by the Parties.
  - (c) Completed questionnaires will be reviewed by the incumbent's supervisor/department head to ensure they are complete and contain the necessary details. The supervisor's comments will be on a separate sheet and will be returned to the employee for review.
  - (d) Finalized questionnaires and the supervisor's comments will then be submitted to the Human Resources Department.
  - (e) The Human Resources Department/Consultant will conduct individual and/or group interviews to obtain additional details, employment conditions, etc., about the job. This may include interviews with the incumbent's supervisor. Two members of the Committee (one representative from each party, together with the Consultant) may interview employees and supervisors to resolve any disagreement on the job questionnaire.
  - (f) Upon completion of all data collection, the Human Resources Department/Consultant will prepare formal presentations of the jobs, (job descriptions) for presentation to the Rating Committee within the time-frame mutually agreed upon by the Committee. All gathered documentation with additional interview notes will be made available to the Committee to aid in the evaluation task, should the Committee so require.
  - (g) The Committee, may interview employees and supervisors to resolve any disagreement or to gain more specific information about the job.
6. In order for the Union to negotiate Pay Equity, The Employer will provide the Union the following information:
  - (a) A list of all positions, by affiliation (i.e., Union or Non-Union and which Bargaining Unit or Local Union) with the number of male/female incumbents as of January 1, 1989.
  - (b) For those positions not clearly "Male" or "Female" dominated, the male/female ratios historically, so far as the Employer's records permit.
  - (c) A copy of the previous year's payroll figures showing total payroll for CUPE Locals 973 and 1946 and Non-Union stall employees for 1989.

- (d) Any other relevant information deemed necessary by the Committee. In accordance with the Pay Equity Act.
7. The Committee will be involved in identifying “male and female job classes” based on current and historic male/female ratios and the definition of “Job Class” contained in the Pay Equity Act, 1987.
  8. The Committee will be responsible for rating all positions in CUPE Locals 973 and 1946, in accordance with the attached Job Evaluation Manual and will use the information presented by the Human Resources Department/the Consultant. The Committee will establish the grade point ratings of each position by assigning a Degree level for each Factor contained in the attached Job Evaluation Manual; however, no Committee member shall be made aware or have access to the numbers of points assigned each Degree or the Weighting until after all jobs in CUPE Locals 973 and 1946 have been rated. The Committee will operate on consensus (unanimous) basis. Failing consensus, a majority vote, as defined in Clause 4 of this document, will be accepted. In cases where consensus or a majority vote (as defined) cannot be reached by the Rating Committee, the matter shall be referred to a non-committee representative from the Employer and a non-committee representative from The Canadian Union of Public Employees who shall decide the issue, and their findings shall become final.
  9. The rating results arrived at by the Rating Committee shall be maintained and processed by the Committee, in accordance with the already agreed and established point-weighting chart. While jobs are being rated, non-participating National Representatives from The Canadian Union of Public Employees may be present. In cases where the position being rated is occupied by a Rating Committee member, such member shall not be present while the job(s) is being rated. They may be present during the Consultants presentation of the job(s).
  10. The Rating Committee will rate all positions in CUPE Locals 973 and 1946 for the purposes of the Parties negotiating a schedule of adjustments for Pay Equity. The Rating Committee will also rate appropriate male comparator positions within the defined establishment for use as wage comparisons only. Such rating will be for the purpose of wage adjustments within CUPE Locals 973 and 1946 only.
  11. On a majority vote (majority being defined as per Clause 4 above), the Committee will have the right to request the presence of a non-committee representative while a job is being presented if additional information is necessary, i.e., incumbent, supervisor, department head. Such individual shall not be present at the time of rating the job.
  12. If at any time during the process, on a majority vote by the Committee, it is agreed that any Committee members are not participating productively, in the process, their principals, i.e., the Union or the Employer, will have the exclusive right to replace such Committee members.
  13. The Committee will evaluate specifically based on job content, not on the incumbent’s performance.
  14. The Appeals Process will be:
    - (a) All appeals must be filed within ten (10) working days after the Ratings are posted with

the Human Resources Department on the approved Appeal Form. Appeals received at a later date because of extenuating circumstances will be accepted.

- (b) Discussion and rationale will be represented to the employee by the Human Resources Department liaison and the Union liaison representative.
  - (c) If required, the position will be reviewed again by the Rating Committee. The appellant, the liaison, or the Union liaison can refer the matter back to the Rating Committee.
  - (d) The decision of the Internal Appeals Committee (Manager of Labour Relations or their designate and CUPE National Representative) will be final and not subject to the Grievance/Arbitration procedure contained in the Collective Agreement.
    - Notwithstanding appeals which may be still going through the Appeals process, the Bargaining Committee, as defined in Part II, may elect to begin their work. Such appeals matters may be dealt with by that Committee once the results of the Appeal are reported by the Internal Appeals Committee.
  - (e) Once all appeals are completed, any revised ratings shall be posted and all ratings shall be passed to the Pay Equity Bargaining Committee for implementation negotiations. No further appeals will be allowed.
15. This document shall be subject to ratification by all Parties. Once ratified, this document shall constitute the roles and responsibilities that are set out in a separate document to be known as Part II of the Pay Equity Plan and are subject to ratification by all Parties.
16. A separate Committee, hereinafter referred to as the "Pay Equity Bargaining Committee", shall be established. Its composition, roles and responsibilities are set out in a separate document to be known as Part II of the Pay Equity Plan and are subject to ratification by all Parties. The Pay Equity Bargaining Committee will negotiate a "Schedule of Implementation" which will form Part III of the Pay Equity Plan when it is ratified.
17. The Parties will develop a conversion formula to compare positions in CUPE Locals 973 and 1946, The Civilian Police Association, Senior Civilian Police Association, and N.U.M.E. for Pay Equity comparisons.

Part II  
Pay Equity Bargaining Committee

1. A joint Pay Equity/Internal Equity Bargaining Committee will be established and composed of representatives of CUPE Locals 973 and 1946 and representatives of the Employer. All union representatives shall be selected by the Union and all Employer representatives shall be selected by the Employer. For the purposes of the Pay Equity Plan, the Committee shall be composed on no more than four (4) representatives of each of the Parties, in addition to a National Representative of the Union and an advisor/consultant for the Employer. There shall be two representatives from each of the two local unions on the Committee.
2. The Union will select one Union representative who will liaise with the Human Resources Department for scheduling details, i.e., times and locations.
3. (a) The Employer agrees to release the CUPE members on the Bargaining Committee without loss of pay or benefits during the employee's normal working hours at their regular straight time rate of pay for scheduled Committee meetings. Overtime shall not be paid.  
  
(b) This project requires that all Committee members commit the necessary time and be flexible in its scheduling. Once the Committee has been established, a series of mutually agreed upon time and dates shall be scheduled.
4. For Bargaining Committee meetings, there must be no less than three (3) representatives of each Party present for official meetings to take place.
5. Upon completion of the work of the Rating Committee under Part I of this Plan, and after ten (10) working days following the posting of the ratings, the Bargaining Committee will meet to negotiate in good faith and endeavour to reach agreement on the following matters, which shall form the balance of the Pay Equity Plan upon ratification of both Parties:
  - (a) The value of all payments and benefits provided as to those job classes within the established referred to hereunder, which form the amount of "compensation" for that job class.
  - (b) The appropriate "male job class" comparator for "female job class".
  - (c) The grade point ranges to be used.
  - (d) An effective date for first adjustments, schedule of adjustments and targeted date for

final adjustments for all “female job classes” requiring a Pay Equity adjustment.  
(e) Any other related matters deemed necessary by the Committee.

6. The Ratings Committee findings shall apply to all job classes. When a full Job Evaluation Plan is adopted, a Maintenance Committee shall be established composed of the members of the Ratings Committee.
7. Should the Committee be unable to reach agreement on any part or parts of those matters which are their responsibility, either Party may seek the assistance of a “Review Officer” where applicable or; by joint consent, the Committee may use any other means they find mutually satisfactory for those items not covered by the Act.
8. Should the Committee be unable to find a “male job class” within CUPE 973 and 1946 for comparison to a “female job class” within the Locals, they may, in accordance with the Act, seek any “male job class(es)” from within the “establishment” to use for comparison. Should such “male job class(es)” not yet have been evaluated, or should the “gender-neutral comparison system” used to evaluate such class(es) differ from the system used for the CUPE Locals, the Committee shall have the Ratings Committee evaluate the class(es), using the “gender-neutral comparison system” contained in Part I of this Plan.
9. The Committee may elect to begin their work at any time, notwithstanding Appeals which may still be going through the Appeals Process in Section 13 of Part I of this Plan. Such appealed matter may be dealt with by this Committee once the results of the appeal are reported by the Internal Appeals Committee.
10. Upon completion of the Committee’s work, the Committee shall prepare the Schedule of Implementation (which shall form Part III of the Plan when it is ratified) and a written report (which shall be Schedule “A” of Part III), detailing the following information:
  - (a) Which job classes have been included, which excluded, and why.
  - (b) An explanation of the Establishment used for comparison purposes.
  - (c) An explanation of how the value of the compensation was determined.
  - (d) An explanation of which permissible differences in compensation under Section 8 of the Act have been used, and why.
  - (e) Any other comments or explanation the Committee deems necessary to help the affected employees understand the Implementation Schedule and/or the Committee’s consideration.
11. When completed, and ratified, Part III (with Schedule “A”) shall be attached to Parts I and II of the Plan and posted in accordance with Section 14(4) of the Act.
12. In this Part of the Plan, items mentioned in quotations refer to those items as they are defined in Section 1(i) of the Act.
13. This document shall be subject to ratification by all Parties. Once ratified, this document shall constitute the roles and responsibilities of the Joint Pay Equity/Internal Equity Bargaining Committee.
14. The first Pay Equity adjustments shall begin January 1, 1990 and shall be made prior to the first Internal Equity Adjustment.

## APPENDIX "C"

### PAY EQUITY PLAN AND JOB EVALUATION MAINTENANCE PLAN Terms of Reference As of March 6, 2012

---

#### PREAMBLE AND PURPOSE

This Pay Equity and Job Evaluation Maintenance Plan has been mutually agreed between the parties in order to provide an ongoing maintenance mechanism for the Pay Equity and Job Evaluation system that has been developed by the parties.

This Maintenance Plan includes the "Gender Neutral Job Evaluation Manual" and is supplemental to and forms part of the current Collective Agreement between the City of Guelph and CUPE Local 973 and the current Collective Agreement between the Guelph Public Library and CUPE Local 1946 as Appendix "C".

#### ARTICLE 1 – GENERAL PROVISIONS

##### 1.1 The Steering Committee

###### (a) Role

The Steering Committee negotiates and oversees the entire job evaluation process including determining the nature of the plan; the composition and mandate of the various committees; all related policies, procedures, guidelines and document development associated with the processes. The Steering Committee also determines the weighting, bands and associated job grades.

###### (b) Composition

The Steering Committee will be comprised of a maximum four (4) Human Resources and/or other management representatives and a minimum of two (2) and a maximum of four (4) from each CUPE Locals 973 and 1946 Union Executive Members and CUPE National Representative(s).

###### (c) Responsibilities

- (i) To negotiate and develop the Terms of Reference.
- (ii) To negotiate and develop factor weighting, banding and associated job grades.
- (iii) To deal with any necessary changes or amendments to the JE plan or process on an ongoing basis as mutually agreed.
- (iv) Joint information sessions during work hours shall be conducted by the parties to ensure that employees are familiar with the JE process. The parties shall jointly author information bulletins during the process for employees and management staff. Training where necessary for new members of the JJEC by the CUPE JE

Representative and a member of Management shall be scheduled far enough in advance to ensure that such training occurs prior to the first day of rating of jobs by the JJEC.

- 1.2 The rating of jobs on the basis of job content involves certain basic determinations being made with respect to the following four legislated factors which are further broken down by the Job Evaluation Plan into 11 sub-factors as follows:

<b>Factor</b>	<b>Sub-Factors</b>
Skill	Knowledge Experience Judgement
Effort	Mental Effort / Concentration Physical Activity Dexterity
Responsibility	Accountability Safety of Others Leadership Contacts
Working Conditions	Disagreeable Conditions

- 1.3 Job Evaluations serve to:

- (a) Group jobs having relatively equivalent point values into the same grade;
- (b) Provide the basis from which to gauge equitable wage grade relationships between the jobs;
- (c) Form the foundation from which to measure changes in job content;
- (d) Enable the assignment of jobs into their proper wage grade in Schedule "A".

- 1.4 In making the determinations necessary for the rating of a job from the job's content, certain basic characteristics are considered to be inherent in the performance of all jobs and are not considered in the evaluation of any job in this programme. These characteristics are honesty, integrity, normal discretion, reasonable care and attention, volume of work, ordinary tact and common courtesy.

- 1.5 In the application of the Rating Manual the following general rules shall apply:

- (a) It is the content of the job that is being analyzed, not the individual doing the job;
- (b) Jobs are to be evaluated without regard to existing job rates;
- (c) Jobs are to be placed in the appropriate level in each factor by considering the specific requirements of each job, the factor definition and the description of each factor level;
- (d) No interpolation of factor degrees is to be made in the use of this programme (i.e. no insertion of a factor rating that falls between the established degrees of the factor);
- (e) The job posting and rating of each job shall be relative to, consistent with, and conform to the job postings and ratings of the benchmark jobs and all other jobs in the bargaining unit.

- (f) Committee members are not provided “grade” information. The role of the Committee is to ensure that the information provided is rated by assigning the appropriate degree in the rating manual. The net effect of the process will result in a grade for the position; however, the Committee must not have this information to keep the integrity of the process.
- 1.6 The Compensation Specialist will maintain a job file for each position. This file must contain any information that was used to establish the rating for the position including Job Fact Questionnaires, Reconsideration Forms, Job postings etc. The final rating sheets, dated and signed off by both Co-Chairs must be in all job files to serve as the official rating sheet for each position.
- 1.7 The completed Job Fact Questionnaire is necessary for the purpose of rating a job and assigning the job into the proper wage grade in Schedule "A". The information in the JFQ should be precise and sufficient in detail to accurately rate the job, as well as to enable the creation of an accurate summary of duties herein called the job posting.

## ARTICLE 2 - THE JOINT JOB EVALUATION COMMITTEE (JJEC)

- 2.1 The Joint Job Evaluation Committee (JJEC) shall be comprised of four (4) representatives of CUPE and four (4) representatives of the Employer.
- 2.2 No members of the Union Executive or Department Heads may be on the JJEC. There are two Advisors to the Committee, the Manager of Compensation, Benefits and HRIS for the City and the National Representative for CUPE.
- 2.3 A quorum for the JJEC meetings shall be six (6) members, with a minimum of three (3) members each from the Employer and CUPE; including a minimum of one (1) member each from Local 973 and Local 1946. The Union and the Employer members of the Committee shall each appoint a co-chairperson.
- 2.4 Each party may appoint two (2) alternate representatives to serve as replacements at each party’s respective leisure. The alternates shall attend training and must be rotated in to the committee evaluation meetings from time to time to ensure that they remain familiar with the process, understand the terminology and application of the JE Manual to effectively evaluate the positions.
- 2.5 The Compensation Specialist will provide administrative support to the JJEC. The JJEC shall provide detailed rationales for their decisions on the rating sheets that support the degree factor given for each sub-factor. The Compensation Specialist will record the JJEC’s ratings for all sub-factors that are reached by consensus. If consensus cannot be reached by the JJEC, refer to the “Settlement of Disagreements” section in Article 7 herein.
- 2.6 It shall be the responsibility of the Compensation Specialist to provide a copy of the Rating Sheet, which has been signed by both co-chairs, to the incumbent(s) and management staff.

## ARTICLE 3 – NEW POSITIONS

Whenever the Employer decides to establish a new job, the following procedures shall apply:

- 3.1 The Department shall prepare a job posting and the job fact questionnaire and forward to the Compensation Specialist.
- 3.2 The Compensation Specialist will use the provided job posting and job fact questionnaire to rate the job according to the procedures set out in the Rating Manual.
- 3.3 The Compensation Specialist will notify management staff of the resulting interim job grade for the position.
- 3.4 The job shall be posted and any person who is successful to the posting shall be paid the interim job grade established by the Employer.
- 3.5 A full Job Fact Questionnaire must be completed by the incumbent and submitted to their Supervisor for signoff and a copy to the Compensation Specialist, at six (6) months from their start date. The Supervisor will provide comments under each sub-factor to support or provide clarity to the information provided by the incumbent. Once the Supervisor and incumbent have signed off on the Job Fact Questionnaire it is forwarded to the Compensation Specialist in Human Resources to be evaluated under the agreed to process.
- 3.6 If an updated questionnaire is not received after seven (7) months, the Compensation Specialist will provide a final notice to the incumbent, the Supervisor and the Union.
- 3.7 If nothing is submitted after eight (8) months, the JJEC will review the documents submitted for the initial rating by the Compensation Specialist, and rate the position.
- 3.8 It is understood that (upon request) the current incumbent(s) in the classification shall have the right to receive copies of all previously submitted documentation that was used to determine the interim job grade.
- 3.9 The Compensation Specialist will review the submitted Job Fact Questionnaire to ensure completeness. If additional information is required the Compensation Specialist and JJEC may interview the employee, the supervisor, the manager or visit the job site as required.
- 3.10 The Compensation Specialist will schedule a meeting of the JJEC to review the full Job Fact Questionnaire. The Committee shall rate the job according to the procedures set out in the Rating Manual.

The employee will continue to receive all economic salary increases as agreed in the current Collective Agreement.

If the incumbent is at Levels 1 to 3 of the higher job grade, the employee shall be placed in the lower job grade as evaluated by the J.J.E.C. and paid at the next higher salary level that gives the employee an increase in salary. If this next higher salary level is not the job rate, the employee will continue to progress through the levels of the salary grid in the lower job grade in accordance with the time periods set out on the Salary Grid until they reach the job rate in the lower job grade. The employee shall continue to receive all

economic salary increases as agreed in the current Collective Agreement.

If, after meeting with the two (2) advisors, the Committee is unable to agree upon the matter(s) in dispute, the Co-chairpersons shall advise, in writing, the Union and the Employer of this fact within fifteen (15) working days.

- 9.2 If the issue in dispute is a pay equity issue, then the parties shall notify the Pay Equity Commission to have a review officer appointed.
- 9.3 If the issue in dispute is other than pay equity, then either party may, by written notice to the other party, refer the matter(s) in dispute to a single arbitrator who shall be selected by agreement of the parties. If the parties are unable to agree on the arbitrator, either party may request the Minister of Labour to appoint an arbitrator.
- 9.4 The arbitrator shall decide the matter(s) upon which the JJEC has been unable to agree and their decision shall be final and binding on the JJEC, the Employer, the Union and all of the affected employees. The arbitrator shall be bound by these Terms of Reference and the Pay Equity and Job Evaluation Plan and they shall not have any power to modify or amend any of their provisions. The jurisdiction of the arbitrator shall be strictly limited to the matter(s) in dispute as submitted by the parties.
- 9.5 The Union and the Employer shall be the sole parties to the arbitration hearing and shall have the right to present evidence and arguments concerning the matter(s) in dispute. The arbitrator shall have the powers of an arbitrator appointed pursuant to the Collective Agreement and, in addition, shall have the authority to require the parties to present additional information and to require other persons to present evidence, as deemed necessary.
- 9.6 The arbitrator's fees and expenses shall be borne equally between the parties.
- 9.7 The time limits contained in this Article may be extended by mutual agreement of the parties in writing.

Due to difficulty staffing part time positions for the City of Guelph Aquatics Program, it is agreed that Article 2:01 (ix) will be applied as follows for the positions of:

1. Lifeguard
2. Aquatics Instructor
3. Deck Supervisors

Part time employees in these three (3) positions may work more than twenty (20) hours per week for consecutive weeks in order to provide the required programs in Aquatics for the public of the City of Guelph. In any week where the employee exceeds twenty (20) hours, Union dues will apply and be deducted.

It is agreed that the annual average hours per week for an employee in these three categories will not exceed twenty (20) hours. This recognizes that when programs are being provided, there is a greater requirement of staff time, compared to other times when few programs are being offered.

LETTER OF AGREEMENT  
BETWEEN  
THE CORPORATION OF THE CITY OF GUELPH  
"The Employer"  
AND  
CUPE Local 973  
"The Union"

**WHEREAS** the parties had significant discussion regarding the addition of the South End Community Centre to the current complement of recreation facilities during the 2025 contract negotiations;

**AND WHEREAS** the Employer desires to staff the South End Community Centre and other recreation facilities with CUPE 973 staff who will work outside the Basic Work Week (Article 22.01) and Exceptions to the Basic Work Week (Article 22.02 i);

**AND WHEREAS** the Employer outlined their desire for new full-time equivalent positions added for the South End Community Centre and other recreation facilities to have hours of work that change the standard work week for Culture and Recreation to thirty-five (35) hours per week, five (5) consecutive days, Sunday to Saturday, between the hours of 5:30 a.m. and 11:00 p.m.;

**AND WHEREAS** the Union identified concerns that an agreement to such hours altered standard hours of work would negatively impact the hours of work for the current complement of full-time employees and that in the future the Employer might increasingly schedule part-time non-union employees to work weekday hours while its members might increasingly be required to work evening and weekend shifts;

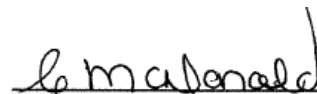

**AND WHEREAS** the facility is slated to tentatively open in 2026 and the parties are desirous of reaching a Memorandum of Settlement to conclude this round of contract negotiations.

**NOWHEREFORE** the parties agree to the following terms:

1. The Parties agree that prior to the opening of the South End Community Centre the Employer will share a draft and final schedule with the Union;
2. The parties agree that existing CUPE 973 full-time employees in the Recreation department will maintain (grandparent) the hours of work and their current positions prior to ratification of the collective agreement; no current employee holding the above-mentioned positions will be transferred to another facility unless mutually agreed upon;
3. For no more than 50% of any new or reallocated positions the standard work week for Culture and Recreation will change to thirty-five (35) hours per week, five (5) consecutive days, seven (7) consecutive hours Sunday to Saturday, between the hours of 5:30 a.m. and 11:00 p.m.. The intended work schedule will be clearly identified on the job posting.
4. The utilization of part-time non-union employees who work schedules with hours of work falling within those defined in 22:02 (i) will be limited.  
For clarity, the majority of hours as outlined in 22:02 (i) of the Collective Agreement will be staffed using CUPE 973 full-time Employees.

All other terms and conditions of the Collective Agreement shall apply.  
This Letter of Agreement will expire upon the expiry of the collective agreement, unless an extension is mutually agreed by both parties in writing.
